THOUGHT:

Some people are so indecisive, their favorite color is plaid! You ask them if they have trouble making decisions, and their response is, "Well, yes and no..." But there comes a time when changing your mind is not only desirable, it is imperative – and that is when God tells you to. -The Daily Walk

MISSIONS-MINDED

February 25 Message from Pastor K. Bobby Emmanuel in India:

"We wish to submit the Fe Galilean church report unto your prayerful presence. We have conducted Galilean church anniversary on 23rd Feb Last Saturday. The Fe team went to C.S.Puram village to participate in the celebration. The congregation is gradually growing year by year. Now there are 26 people are gathering on every Sunday for worship meeting. They are become strong in spiritual activities. The Lord blessed the church ministry and ministry is expanding to another village (Nelaturu). From there also few souls are attending to Galilean church." (The congregation of which Pastor Bobby writes is located close to the Bay of Bengal; Pastor Glenn ministered there last March 5.)
