MISSIONS-MINDED

March 7 Message from Pastor K. Bobby Emmanuel in India:

Precious greetings in the gracious name of our Lord! Through your prayers and enormous help we have successfully completed 15 years in conducting of Ministers meeting and entered into 16th year with heartfelt thanks. We pay our ardent thanks to all the prayer partners and generous supporters. There are many great things that occurred in India. Thousands of people are being blessed and hundreds of people are saved and baptized under the banner of Fellowship of the church of God. Number of churches are established and constructed permanently. Many pastors are trained in various meetings and bible classes and appointed in Fe churches to care flocks. It is your prayers and sacrificial offerings that runs the ministry in India for two decades. With Thankful Hearts
