MISSIONS-MINDED

January 21 Message from Pastor K. Bobby Emmanuel in India:

Precious greetings in the gracious name of our Lord!

The Lord's work is being done well under your leadership; your prayers are very helpful to expand the ministry into four corners of T.P.Gudur in Nellore district and in Tirupathi region. In Chandragiri (King's fort the St. Paul church is growing well. In our recent gospel tour to Chandragiri, (13th Jan – 15th Jan 2021) Three new souls were accepted Jesus as their Lord and a sister once who was a Sunday school student married a Hindu and blessed with a baby boy accepted Jesus as her personal Saviour. Praise the Lord for the progress of St. Paul church.

We pay our ardent thanks to the saints of Community Churches of God for their generous and prayerful supports to Fe ministry.

With Thankful Hearts Your Bondservants Bobby and Jonse.

WHEN SEVERE WEATHER STRIKES

In the event of severe weather look for announcements regarding our services on NEWS4 (WRC-TV), FOX5 (WTTG), ABC7 (WJLA), NEWS CHANNEL 8 and 9NEWS (WUSA). You may access their web sites as well for their lists of closings or call either Pastor Dryden or Pastor Williams. Please do not travel when the conditions in your neighborhood are hazardous.

An entire chapter of Proverbs offers extended wisdom on reacting to disputes. "A gentle answer turns away wrath," says Proverbs 15:1. "The one who is patient calms a quarrel" (v. 18). Also, "The one who heeds correction gains understanding" (v. 32). Considering such wisdom, may God help us hold our tongues. More than all, however, wisdom instructs us to "fear the Lord" because "humility comes before honor" (v. 33). -Patricia Raybon, Our Daily Bread

There has been a metamorphosis in our lifestyles, and it continues at an ever more rapid pace. How can we deal with it successfully? The best advice I've ever known came from my former teacher Miss Julia Coleman, whom I quoted in my presidential inaugural address: "We must adjust to changing times and still hold to unchanging principles." For her, changing times meant the advent of gramophones, school buses, electricity, talking movies, and radio programs. For us, it means supersonic jets, genetic engineering, personal computers, and the Internet. Yet Miss Coleman's wisdom still holds true.

-President Jimmy Carter, Living Faith, p. 134

Knowledge comes, but wisdom lingers. -Tennyson

A godly man preferreth grace before goods,
and wisdom before the world. -Richard Bernard

Acts 6:8-10 KJV ⁸ And Stephen, full of faith and power, did great wonders and miracles among the people. ⁹ Then there arose certain of the synagogue, which is called the synagogue of the Libertines, and Cyrenians, and Alexandrians, and of them of Cilicia and of Asia, disputing with Stephen. ¹⁰ And they were not able to resist the wisdom and the spirit by which he spake.

James 1:5 KJV

If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.
